

WEEK ONE - REFLECT AND RECORD

How many coffee cups did you save from going to land fill this week?

Multiply that number by 52 and write it on the post it note.

How many plastic bags did you save from going to land fill this week?

Multiply that number by 52 and write it on the post it note.

How many plastic water bottles did you save from going to land fill this week?

Multiply that number by 52 and write it on the post it note.

Don't forget to post a photo of your family's greatest Eco Triumph on Farewell My Manicure's Facebook page for your chance to win this week's prize!
